Dear Sir/Madam

RE: **GOOD MANUFACTURING PRACTICES INSPECTION CLOSEOUT**

Reference is made to the above subject matter and the Virtual GMP Inspection that was conducted at your manufacturing site from 25 January to 1 February 2021 to verify compliance with the current Good Manufacturing Practices (cGMP).

Based on the areas inspected, the staff met, the documents reviewed and the CAPA submitted in the CAPA Report attached to this letter, and considering the findings of the inspection, the manufacturer, **Veko Care Private Limited, Plot No. E48 & E49 MIDC Ranjangaon, Pune District, Maharashtra, INDIA** is considered to be operating at acceptable levels of compliance with cGMP guidelines and is hereby given GMP clearance for the manufacture of the dosage forms indicated in **Annex 1** of this letter:

Please be advised that the facility will be due for routine inspection within **two (02) years from the date of inspection**.

You may hereby use this letter as **official proof of GMP clearance by the ZAMRA for the stated period**. You are advised to notify the Authority of any changes that may affect the GMP status of your site. Further, the Authority may decide to conduct an inspection at any point before the above stated period lapses.

You will be required to apply for inspection at least six (06) months before the due date of the next routine inspection.

Should you need clarifications on this matter, please do not hesitate to contact us at GMP@zamra.co.zm.

Yours faithfully

For/Zambia Medicines Regulatory Authority
